Call for Fundraising Committee Lead

On October 5th 2023 at 7pm Hawthorne Elementary will be having our first PAC meeting of the 2023/2024 school year.

This year the Hawthorne PAC will be bringing back the much needed committees we lost during the dreaded covid era. To start us off we will be seeking to re introduce the Fundraising Committee. The Fundraising Committee is a standing committee with goals of raising funds to insure the financial viability and stability of the PAC. This position can also be a shared position with Co leads.

This year we are in desperate need of volunteers to help us with the planning and execution of our fundraisers. Without fundraisers our PAC will not be able to provide the school with much needed funds for field trips, presentations, equipment, teacher supply reimbursements, hardship fund, Library donations and other needs asked for by the school. Our volunteers will be responsible for helping select fundraisers, organizing the fundraisers (for example: Movie/game nights, Neufelds, Purdys, etc) and then running them.

We are holding a call for a Fundraising Committee Leader

What does the Committee Lead do?

This position will be the team leader/co leader for this committee. Their role includes but is not limited to:

- Work closely with the PAC Chair/Vice Chair and the rest of the fundraising committee on choosing fundraisers and selecting running dates
- Help find volunteers for the committee and its events/fundraisers
- Help run the fundraising events
- Report Fundraising updates at Pac meetings

Current status of this position : Vacant

If you would like to take on this role or have any questions regarding this position please email Kim Lundgren at pac.hawthorne.chair@gmail.com
